

NEW FOCUS MIDGET SALE

Save \$7,000 ... on a New, Turn Key, State-of-the-Art Race Car

THE #1 FOCUS MIDGET - ON SALE

The Focus Midget series is "best bang for the buck" in open wheel racing today ... and our Focus Midgets are some of the winningest cars in the series. The same cars built and raced by the Ron Sutton's Winner's Circle team are now available to everyone, new, ready to race for the 2010 race season.

From 2006 to today, the Focus Midget chassis with the most wins & championships on the West Coast has been the KPC Chassis. Built by Steve Kent, same builder of the dominant World of Outlaws Chassis and winning USAC National Midget chassis.
